

### COMMISSIONED WORK

I work by commission and welcome any ideas. Present your ideas, provide photos, or I will take a photo from which to work. I paint in oils or acrylics. I work representationally or non-representationally (abstract). Just inquire! Once details are decided, payment policy is 1/2 half balance to start and second half due upon completion. Once painting leaves studio it's considered finished. If changes needed after that time, artist works for \$100/hr.
